

DALVEY

— 1897 —

FLASK

Precision engineered from high quality stainless steel and hand polished to an easily maintained mirror finish. A material which is not only supremely durable, but which will impart no taint or flavour to whatever liquid it contains.

This product comes with the Dalvey guarantee of long term service.

Please note: It is recommended to rinse the flask thoroughly with warm soapy water prior to its first fill.

Abrasives should not be used on any Dalvey product.
